Subject: Five-Year Review of Reclamation Surety Estimate, Cargill Salt Division, Timpie Solar Ponds, M/045/030, Tooele County, Utah

Dear Mr. Whitson:

The Division received your request for an extension to submit Cargill Salt's escalated surety of \$2,100,200 until August 19, 2006. The requested extension is approved. I understand you have been in contact with Beth Ericksen to obtain information on updating your reclamation surety. Please continue to work with her during this updating process.

Thank you for your help in keeping the surety current. If you have any questions please contact Doug Jensen at (801) 538-5382 or myself at (801)538-5258.

Sincerely,

Susan M. White  
Mining Program Coordinator  
Minerals Regulatory Program
